HUGHES WINS OUT IN NEW YORK STATE

Defeats Democratic Candidate by Large Majority.

York, Nov. 4.-Governor Hughes won by 76,000 plurality over Lewis S. Chanler, his Democratic op-

Hughes came down to the city from up state with an indicated plurality of about 121,000. Chanler's plurality south of High Bridge was approxi mately 68,000. The vote of two years age was increased by about 150,000: Chanler surprised the Democratic leaders by an unexpectedly large vote in the rural districts, but lost tremendously in the city of Greater New York, where his followers had expect ed at least 100,000 plurality.

The state senate will stand, Repub licans 32, and Democrats 19. The as sembly will stand, Republicans 103 and Democrats 47, a gain of six Re publicans.

Taft carried New York state by 202,000 plurality over Bryan and car ried the city by 6,000.

ILLINOIS GOES REPUBLICAN

Taft Carries the State by a Large Majority.

Chicago, Nov. 4 .- The latest returns show conclusively that Taft has car ried the state by from 170,000 to 175,

The congressional delegation from Illinois will be composed of 19 Republicans and 6 Democrats.

Speaker Joseph G. Cannon has been re-elected to congress from the Eigh teenth district by a plurality considerably above the normal. Returns are still incomplete, but enough figures will probably have a plurality of at

Baltimore, Nov. 4.—That Baltimore city is Taft's by about 1,760, that the land Dalzell of Pennsylvania have been Democrats have elected Gill, Talbott re-elected and the house of represenand Covington to congress and the Republicans Mudd and Kronmiller is all that can be said with any degree charge of the new tariff bill in the of certainty. Returns from the counties are coming in very slowly. The Republicans claim the state for Taft by a small margin.

Republicans Carry Kansas.

Topeka, Kan., Nov. 4.-Kansas election returns are very incomplete, owing to the long ballot and the late hour of the closing of the polls. The entire Republican state ticket, headed by Walter R. Stubbs for governor, has probably been elected by about 25,000 plurality, and Taft's plurality is a few thousand votes larger.

Taft Carries Wyoming.

Cheyenne, Wyo., Nov. 4 .- Taft has probably carried the state by a very

GOV. JOHNSON IS RE-ELECTED

SPECIAL TO THE DISPATCH:

St. Paul, Nov. 4.—Gov. Johnson's plurality over J. F. Jacobson may be from 15,000 to 20,000 when the returns are all in, while Taft's plurality over Bryan will be more than 100,000. Estimate of Taft's plurality over Bryan will be more than 100,000. Estimate of plurality for Johnson is based on almost complete returns from the cities and returns from about two-fifths of the precincts outside the twin cities. Johnson's plurality in Minneapolis is 9,591 and his majority in Ramsey county is around 6,000. Returns from about 1,000 of the 2,500 precincts outside of the twin cities give Jacobson 55,709 votes and Johnson 57,000. If same proportion is carried throughout the rest of the country districts Johnson will carry the counties outside of Ramsey and Hennepin by a little over 8,000. Adding to this 10,000 in Hennepin and 6,000 in Ramsey and he will have close to 20,000.

Republicans Carry New York, Ohio, Indiana, Illinois and Maryland.

New York, Nov. 4.—General election returns show the following re-

William H. Taft is elected president with approximately 312 votes.

Practically no change is indicated in the complexion of the national house of representatives.

The United States senate will retain its present Republican majority. Governor Charles E. Hughes has been re-elected in New York state by about 76,000 plurality.

Indiana has gone for Taft. Bryan has apparently carried Nebraska.

Ohio returns are very slow, owing to the immense ballot, but Taft has

Judge Taft will have a majority in States Senator Albert G. Hopkins, will the city of New York, the first time the big city has given its vote to a Republican presidential candidate for many years.

Mr. Taft probably will receive a greater plurality in New York state than President Roosevelt did four years ago. He has exceeded Mr. Roosevelt's plurality in New Jersey and has a surprisingly big vote in Massachusetts.

The Republican plurality fell off have been obtained to show that he heavily in the Middle West in a manner thoroughly surprising to the Republican managers.

Speaker Cannon has been re-elected by his usual majority.

Representatives Payne of New York tatives probably will continue under its old regime. Mr. Payne will have extra session, which Mr. Taft will call immediately after March 4, next. Missouri has returned to the "Solid South" on the presidential ticket and elected Cowherd as its governor.

No Landslide Probable.

The first returns received came from scattering districts in Massachusetts. The heavy pluralities indicated there for Mr. Taft seemed at once to dissipate any probability of a "land. slide" for Mr. Bryan, as many Democrats had claimed, and the Republican managers at once began to put out

claims of victory. Returns from the up-country districts of New York state, where voting machines are largely used, were the next to arrive. It had been predicted for days that Erie county, including the heavy vote of Buffalo, might be taken as an index to the drift throughout the country. This proved to be the case, so far as the national ticket was concerned, Mr. Taft having a plurality of something more than 1,000 votes. Erie county. surprisingly, however, gave Lieutenant Governor Chanler a plurality of more than 3,000. The opponents of Governor Hughes were quick to claim a sweeping victory, but returns from the other large counties and cities soon changed the complexion of the returns completely. The vote in Greater New York for Mr. Chanler was deeply disappointing to his

regarded as certainly Republican, are little short of amazing. Pennsylvania's immense plurality of over 500, 000 four years ago has been cut in two. Illinois, which gave Roosevelt 305,000 in 1904, has gone for Taft by about 170,000. The highest claim of the Republicans for Indiana is 15,000. as against a plurality of 93,000 for Roosevelt.

lowa's Vote Smaller.

Iowa, which gave Mr. Roosevelt 158,000 plurality in 1904, has dropped down to about 40,000 for Taft. The return of Missouri to the Democracy on the presidential ticket wiped out a Republican plurality of 25,000 four

GOVERNORSHIP IN DOUBT.

But Taft and Sherman Carry Michigan by Large Majority.

Detroit, Nov. 4.-With Taft and Sherman carrying the state by a large majority, generally estimated at about 100,000, the successful candidate for governor of Michigan is not yet known. Lawton T. Hemans, the Democratic candidate for governor, on the returns available has an undisputed lead over Governor Warner, but the Republican leaders assert that the returns will overcome this lead

Republican candidates for congress have been elected in all but the First district, where the votes have not been counted. None of the early returns indicate any pronounced Democratic gains in the legislature.

Taft Successful in Massachusetts and Other Eastern States.

Boston, Nov. 4 .- William H. Taft and Eben S. Draper, Republican candidate for governor, carried Massachusetts, the former by about 120,000 and the latter by about 60,000. The Massachusetts congressional delegation remains unchanged, eleven Republicans and three Democrats.

TESTIMONIAL

St. Paul., Minn.
Gentlemen: I have been a sufferer from rheumatism. I was laid up in bed and gave up all hope of being cured.
Your remedy was recommended to me by Chief of Police O'Connor, who said 6088 had cured him. On taking one-fourth of the bottle I was able to get ont of bed—the first time in thirty days. I have taken my second bottle and now consider myself entirely cured. I write this that others may know of this wonderful remedy. Respectfully yours.

Taft Leads in West Virginia,

Wheeling, W. Va., Nov. 4 .- Returns from West Virginia are coming in slowly, but enough have been received to indicate a slight advantage for Judge Taft, although the margin is so slight that the state may still be called doubtful.

Nashville, Tenn., Nov. 4.-Bryan's majority in Tennessee will about equal that of Parker, four years ago. something over 26,000. The Democratic state ticket is elected. The congressional delegation remains unchanged as to complexion.

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently though safely, it surely equalizes the blood circulation.

lation.

If you have a headache, it's blood pressure.

If it's painful periods with women, same cause.

If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

LITTLE CHANGE IN THE HOUSE

Complexion of Congress Not Materially Altered.

CONTROLLED BY REPUBLICANS

Indications Point to a Small Increase in Their Majority-There Will Be Many Familiar Faces in the Next Congress, Including Speaker Cannon and His Chief Lieutenants.

Washington, Nov. 4 .- Definite re ports have been received from 207 congressional districts out of a total of 391. Of these 119 showed the election of the Republicans and 88 the election of Democrats. In the entire Hat there were only two changes in the political complexion, and both were tavorable to the Republicans The Democrats lost the Eleventh Pennsylvania district. The Republi cans also regained the Third Wiscon sin district, which has been carried by Arthur J. Kopp, the Republican nominee.

Comparatively few of the districts which were close in 1906 have been heard from, but so far as reports have been received, they indicate that both parties are generally holding their own. It seems quite certain that the Republicans will again control the house, and so far as there are any indications they point to a small in creased Republican majority in that body. Still there is comparatively little significance in the Pennsylvania and Wisconsin accretions.

The principal close districts trom which definite returns have been re ceived are in Pennsylvania and in all those except the Eleventh both par ties seem to have held their own One exception is in Nebraska, where Mr. Hitchcock, who now represents the Second district on a very small Democratic vote, has been returned, and the indications are that he will con tinue to be the only representative in the house of his party from Mr.

Many Familiar Faces.

There will be many familiar faces in the next congress, including Speak er Cannon and his chief lieutenants. Messrs. Payne, Dalzell, Tawney, and Burton of Ohio, McCall of Massachusetts, and Bartholdt of Missourt There was especially vigorous opposition to Messrs. Cannon, Tawney and Dalzell, but they are all reported " victorious.

On the Democratic side Champ Clark and Mr. De Armond of Missouri, Clayton of Alabama, Rainey of Illinois, Ollie James of Kentucky, Ransdell of Louisiana, and Francis Burton Harrison and Fitzgerald of New York are all certainly returned. Delaware will send a new Republican, Mr. Heatld, in place of Representative Burton; Georgia, a new Democrat in the person of Mr. Hughes in the place of Mr. Lewis, and Illinois, James M Graham, Dem., in place of Mr. Cald well, Dem. Francis Dodge, Rep., comes from Michigan in place of Mr. Darrah, while Clarence B. Miller, Rep., will occupy the seat of J. Adam Bede of Minnesota

For the first time for sixteen years the Eighth Mississippi district will be represented by another than John Sharp Williams, for several years past the Democratic leader on the floor of the house. He failed to seek a renomination on account of his election to the senate, and it is presumed that he will be succeeded in leadership by Mr. Clark of Missouri. Likewise Bourke Cockran gives way to Michael F. Conroy, who also is a Democrat. Charles S. Millington, Rep., will succeed Mr. Taft's running mate, Mr. Sherman, as representative of the Twenty-seventh New York district. John Wesley Gaines of Tennessee will be succeeded by John W Burns, an other Deinocrat. South Dakota sends two new men, both Republicans.

PENNSYLVANIA REPUBLICAN

Taft Carries the State by Over Three Hundred Thousand.

Philadelphia, Nov. 4 .-- Taft has carried Pennsylvania by a plurality that will be nearer 400,000 than 300,000. The returns show a considerable falling off in every county with the exception of two. A heavy vote was polled throughout the state, due principally to the many warm contests in the leg-Islative districts. The Republicans hold their own in the congressional districts if they do not increase their representation. There is practically no change in the Republican representation in the legislature. In Philadelphia the national ticket carried the city by about 125,000 plurality. The entire ticket is elected by a large plurality.

Taft Carries Washington.

Seattle, Wash., Nov. 4.—Taft carried Washington by 45,000 and Samuel G. Cosgrove, Republican candidate for governor, will duplicate the Taft plurality. The entire Republican state ticket is elected. The election of Wesley L. Jones to succeed Levi Ankeney as United States senator is

have 1,000 plurality, but as a majority is required to elect, the vote of the minor parties may cut an appreciable figure in determining the result. The legislature will be strongly Republi can and the two Republican congress men were re-elected.

Rhode Island.

Providence, R. I., Nov. 4.-Rhode Island gives a plurality of about 16,000 for Taft. This is about the plurality given Roosevelt in 1904. The Repub-Ifcan state ticket, headed by Aram J. Pothier, candidate for governor, has undoubtedly been successful. The legislature will be Republican.

Vermont.

White River Junction, Vt., Nov. 4 .-Complete returns from the state of Vermont give Taft 39,592; Bryan 11,-688; Hisgen 719. Taft's plurality is 27,904. Four years ago Roosevelt had a plurality of 30,677.

Maine

Hughes came down to the city from up state with an indicated plurality of about 121,000. Chanler's plurality south of High Bridge was approxi mately 68,000. The vote of two years age was increased by about 150,000: Chanler surprised the Democratic leaders by an unexpectedly large vote in the rural districts, but lost tremendously in the city of Greater New York, where his followers had expect ed at least 100,000 plurality.

000 Deneen, the Republican candi date for governor, has been elected by a plurality estimated at from 40,000 to 65,000. The next legislature, which is to choose a successor to United States Senator Albert G. Hopkins, will be composed of 58 Republicans and 34 Democrate in the senate and 215 Republicans and 176 Democrats in the

The congressional delegation from Illinois will be composed of 19 Republicans and 6 Democrats.

Speaker Joseph G. Cannon has been re-elected to congress from the Eigh teenth district by a plurality considerably above the normal. Returns are still incomplete, but enough figures have been obtained to show that he will probably have a plurality of at least 10,500.

Republicans Claim Maryland,

Baltimore, Nov. 4.—That Baltimore Democrats have elected Gill, Talbott and Covington to congress and the Republicans Mudd and Kronmiller is all that can be said with any degree of certainty. Returns from the counties are coming in very slowly. The Republicans claim the state for Taft by a small margin.

Republicans Carry Kansas.

Topeka, Kan., Nov. 4.-Kansas election returns are very incomplete, owing to the long ballot and the late hour of the closing of the polls. The entire Republican state ticket, headed by Walter R. Stubbs for governor, has probably been elected by about 25.000 plurality, and Taft's plurality is a few thousand votes larger.

Taft Carries Wyoming.

GOV. JOHNSON IS RE-ELECTED

SPECIAL TO THE DISPATCH:-

St. Paul, Nov. 4.—Gov. Johnson's plurality over J. F. Jacobson may be from 15,000 to 20,000 when the returns are all in, while Taft's plurality over Bryan will be more than 100,000. Estimate of was deeply disappointing to his Taft's plurality over Bryan will be more than 100,000. Estimate of plurality for Johnson is based on almost complete returns from the cities and returns from about two-fifths of the precincts outside the twin cities. Johnson's plurality in Minneapolis is 9,591 and his majority in Ramsey county is around 6,000. Returns from about 1,000 of the 2,500 precincts outside of the twin cities give Jacobson 55,709 votes and Johnson 57,000. If same proportion is carried throughout the rest of the country districts Johnson will carry the counties outside of Ramsey and Hennepin by a little over 8,000. Adding to this 10,000 in Hennepin and 6,000 in Ramsey and he will have close to 20,000 and he will have close to 20,000.

Speaker Cannon Re-elected by an **Increased Plurality in Illinois**

Republicans Carry New York, Ohio, Indiana, Illinois and Maryland.

New York, Nov. 4.—General election returns show the following results:

William H. Taft is elected president with approximately 312 votes.

Practically no change is indicated in the complexion of the national house of representatives.

The United States senate will retain its present Republican majority. | years ago. Governor Charles E. Hughes has been re-elected in New York state by about 76,000 plurality.

Indiana has gone for Taft. Bryan has apparently carried Nebraska.

Ohio returns are very slow, owing to the immense ballot, but Taft has carried it by a large plurality.

Judge Taft will have a majority in the city of New York, the first time the big city has given its vote to a Republican presidential candidate for and North Carolina.

many years. Mr. Taft probably will receive a greater plurality in New York state than President Roosevelt did four years ago. He has exceeded Mr. Roosevelt's plurality in New Jersey and has a surprisingly big vote in

Massachusetts. The Republican plurality fell off heavily in the Middle West in a manner thoroughly surprising to the Republican managers.

Speaker Cannon has been re-elected by his usual majority.

Representatives Payne of New York city is Taft's by about 1,760, that the land Dalzell of Pennsylvania have been re-elected and the house of representatives probably will continue under its old regime. Mr. Payne will have charge of the new tariff bill in the extra session, which Mr. Taft will call immediately after March 4, next.

Missouri has returned to the "Solid South" on the presidential ticket and elected Cowherd as its governor.

No Landslide Probable.

The first returns received came from scattering districts in Massachusetts. The heavy pluralities indicated there for Mr. Taft seemed at once to dissipate any probability of a "land. slide" for Mr. Bryan, as many Democrats had claimed, and the Republican managers at once began to put out claims of victory.

Returns from the up-country districts of New York state, where voting machines are largely used, were the next to arrive. It had been predicted for days that Erie county, including the heavy vote of Buffalo, might be taken as an index to the drift throughout the country. This proved to be the case, so far as the national ticket was concerned, Mr. Taft having a plurality of something more than 1,000 votes. Erie county. surprisingly, however, gave Lieutenant Governor Chanler a plurality of more than 3,000. The opponents of Governor Hughes were quick to claim a sweeping victory, but returns from the other large counties and cities soon changed the complexion of the returns completely. The vote in Greater New York for Mr. Chanler

Republican slump in certain states,

regarded as certainly Republican, are little short of amazing. Pennsylvania's immense plurality of over 500, 000 four years ago has been cut in two. Illinois, which gave Roosevelt 305,000 in 1904, has gone for Taft by about 170,000. The highest claim of the Republicans for Indiana is 15,000. as against a plurality of 93,000 for Roosevelt.

lowa's Vote Smaller.

Iowa, which gave Mr. Roosevelt 158,000 plurality in 1904, has dropped down to about 40,000 for Taft. The return of Missouri to the Democracy on the presidential ticket wiped out a Republican plurality of 25,000 four

Maryland and West Virginia are confidently claimed by the Republicans, but the returns are too meager to justify a classification of either state.

Massachusetts, New York and New Jersey were striking exceptions to the generally reduced Republican pluralities.

There has been a shrinkage in the Democratic vote in several of the Southern states, notably in Virginia

Mr. Taft has carried Wisconsin by a plurality estimated at 75,000. a fall-

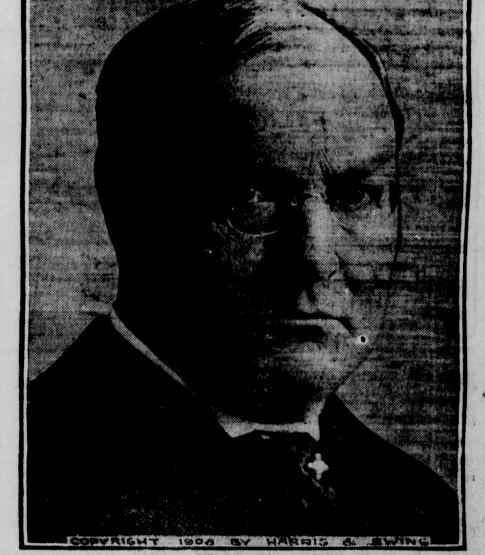

ing off from the Roosevelt plurality of 156,000 in 1904. Kentucky has gone safely for Mr. Bryan by about 15,000.

Representative W. S. Cowherd has

been elected governor of Missouri over Hadley, Rep., by about 20,000. Governor John A. Johnson of Minnesota has probably been re-elected

governor a third term, although the state has gone safely for Taft.

The voting throughout the country has been exceptionally heavy, ideal

But Taft and Sherman Carry Michigan

by Large Majority. Detroit, Nov. 4.-With Taft and Sherman carrying the state by a large majority, generally estimated at about 100.000, the successful candidate for

governor of Michigan is not yet known. Lawton T. Hemans, the Democratic candidate for governor, on the returns available has an undisputed lead over Governor Warner, but the Republican leaders assert that the returns will overcome this lead.

Republican candidates for congress have been elected in all but the First district, where the votes have not been counted. None of the early returns indicate any pronounced Democratic gains in the legislature.

Taft Successful in Massachusetts and Other Eastern States.

Boston, Nov. 4.-William H. Taft and Ehen S. Draper, Republican candidate for governor, carried Massachusetts, the former by about 120,000 and the latter by about 60,000. The Massachusetts congressional delegation remains unchanged, eleven Republicans and three Democrats.

City Charter Also Carried by Over City and Twelve Outside Precincts Give Him Lead of 221 in Crow Wing

The city of Brainerd and 12 precincts give him 1,135 to 475 for Bryan. In the city Debs was a close third the vote being 800 for Taft, 33I for Bryan and 310 for Debs.

The same number of precincts give Jacobson 780 and Johnson 1,007. Wright 849; Stanton 1,129; Reid 1,020; Erickson 819, Engman 278.

Your remedy was recommended to me by Chief of Police O'Connor, who said 6088 had cured him. On taking one-fourth of the bottle I was able to get out of bed—the first time in thirty days. I have taken my second bottle and now consider my-self entirely cured. I write this that others may know of this wonderful remedy. Respectfully yours,

Wheeling, W. Va., Nov. 4.-Returns from West Virginia are coming in slowly, but enough have been received to indicate a slight advantage for Judge Taft, although the margin is so slight that the state may still be called doubtful.

Nashville, Tenn., Nov. 4.-Bryan's majority in Tennessee will about equal that of Parker, four years ago, something over 26,000. The Democratic state ticket is elected. The congressional delegation remains unchanged as to complexion.

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure.

If it's painful periods with women, same can If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

LITTLE CHANGE IN THE HOUSE

Complexion of Congress Not Materially Altered.

CONTROLLED BY REPUBLICANS

Indications Point to a Small Increase in Their Majority-There Will Be Many Familiar Faces in the Next Congress, Including Speaker Cannon and His Chief Lieutenants.

Washington, Nov. 4 .- Definite re ports have been received from 207 congressional districts out of a total of 391. Of these 119 showed the election of the Republicans and 88 the election of Democrats. In the entire list there were only two changes in the political complexion, and both were tavorable to the Republicans The Democrats lost the Eleventh Pennsylvania district. The Republi cans also regained the Third Wiscon sin district, which has been carried by Arthur J. Kopp, the Republican

Comparatively few of the districts which were close in 1906 have been heard from, but so far as reports have been received, they indicate that both parties are generally holding their own. It seems quite certain that the Republicans will again control the house, and so far as there are any indications they point to a small in creased Republican majority in that body. Still there is comparatively little significance in the Pennsylvania and Wisconsin accretions.

The principal close districts trom which definite returns have been re ceived are in Pennsylvania and in all those except the Eleventh both par ties seem to have held their own. One exception is in Nebraska, where Mr. Hitchcock, who now represents the Second district on a very small Democratic vote, has been returned, and the indications are that he will con tinue to be the only representative in the house of his party from Mr. Bryan's state.

Many Familiar Faces.

There will be many familiar faces in the next congress, including Speak er Cannon and his chief lieutenants. Messrs. Payne, Dalzell, Tawney, and Burton of Ohio, McCall of Massachu setts, and Bartholdt of Missourt There was especially vigorous opposition to Messrs. Cannon, Tawney and S Dalzell, but they are all reported # victorious.

Clark and Mr. De Armond of Missouri, Clayton of Alabama, Rainey of Illinois, Ollie James of Kentucky, Ransdell of Louisiana, and Francis Burton Harrison and Fitzgerald of New York are all certainly returned. Delaware will send a new Republican, Mr. Heatld, in place of Representative Total \$12 172 Burton; Georgia, a new Democrat in the person of Mr. Hughes in the place of Mr. Lewis, and Illinois, James M Graham, Dem., in place of Mr. Caldwell, Dem. Francis Dodge, Rep., comes from Michigan in place of Mr. Darrah, while Clarence B. Miller, Rep., will occupy the seat of J. Adam Bede of Minnesota.

For the first time for sixteen years the Eighth Mississippi district will be represented by another than John Sharp Williams, for several years past the Democratic leader on the floor of the house. He failed to seek a renomination on account of his election to the senate, and it is presumed that he will be succeeded in leadership by Mr. Clark of Missouri. Likewise Bourke Cockran gives way to Michael F. Conroy, who also is a Democrat. Charles S. Millington, Rep., will succeed Mr. Taft's running mate, Mr Sherman, as representative of the Twenty-seventh New York district John Wesley Gaines of Tennessee will be succeeded by John W Burns, an other Deinocrat. South Dakota sends two new men, both Republicans.

PENNSYLVANIA REPUBLICAN

Taft Carries the State by Over Three Hundred Thousand

Philadelphia, Nov. 4 .-- Taft has carried Pennsylvania by a plurality that will be nearer 400,000 than 300,000. The returns show a considerable falling off in every county with the exception of two. A heavy vote was polled throughout the state, due principally to the many warm contests in the legislative districts. The Republicans hold their own in the congressional districts if they do not increase their representation. There is practically no change in the Republican representation in the legislature. In Philadelphia the national ticket carried the city by about 125,000 plurality. The entire ticket is elected by a large plurality.

Taft Carries Washington.

Seattle, Wash., Nov. 4.—Taft carried Washington by 45,000 and Samuel G. Cosgrove, Republican candidate for governor, will duplicate the Taft plurality. The entire Republican state ticket is elected. The election of Wesley L. Jones to succeed Levi Ankeney as United States senator is

Rhode Island.

Providence, R. I., Nov. 4.-Rhode Island gives a plurality of about 16,000 for Taft. This is about the plurality given Roosevelt in 1904. The Repub-Ifcan state ticket, headed by Aram J Pothier, candidate for governor, has undoubtedly been successful. The legislature will be Republican.

Vermont.

White River Junction, Vt., Nov. 4 .-Complete returns from the state of Vermont give Taft \$9,593; Bryan 11,-688; Hisgen 719. Taft's plurality is 27,904. Four years ago Roosevelt had a plurality of 30,677.
